

FINAL CONSTRUCTION REPORT

I. PROJECT DESCRIPTION

State: _____ County or park: _____

Project No.: _____

Project Name: _____

Description of work: _____

Environmental Considerations: _____ Commitments made in the EIS/Negative Declaration were met,
except as noted: _____

II. PROJECT DATA

Specifications: Standard Specifications FP- _____

Termini: _____

Length: Roadway: _____ km Width: Sh - Sh: _____ m
Bridges: _____ km
Total: _____ km

Pavement Structure:	<u>Type</u>	<u>Depth</u>
	Crushed Aggregate	_____ mm
	Treated Base with _____	_____ mm
	Asphaltic Concrete Pavement	_____ mm
	Surface Treatment _____	_____ mm
	Other _____	_____ mm

Structures: Station: _____ Code: _____ Length: _____ m Width: _____ m

Contract Number and Date: _____

Contracting Officer: _____

Address: _____

Contract Amount: _____

Engineer's Estimate: _____

Final Contract Amount: _____

Contract Time Period: _____

Work Completed: _____

Contract Time: Fixed Completion Date: _____ Days Allowed: _____ Extensions: _____

Total Allowed: _____ Days used: _____

Liquidated Damages: _____

Contractor: _____

Address: _____

Subcontracts:

Name: _____ Type: _____

Items of Work: _____

Name: _____ Type: _____

III CONSTRUCTION

Construction Operations:

A. _____ Equipment and operations were as usual for the type of work involved.

B. _____ Same as above with the following unique features: _____

Materials:

- A. _____ The source designated on the plans was used for obtaining aggregate materials incorporated in the project. These materials met specifications or were accepted at a reduced price per contract pay factors or Contract Modification Nos.: _____
- B. _____ Aggregate materials were furnished from the following described contractor selected source(s): _____
- C. _____ All other materials used substantially met specification or were accepted via Contract Modification(s) number(s): _____

Experimental or new features:

Changes, Problems, Design Results:

Contract Modifications:

No.	Description	Reason For

Problems: No unusual problems were encountered, except as noted:

Significant Plan vs. Field Differences:

Any Recommendations?:

Claims?:

Project Personnel:

Project Engineer: _____

Assistant Project Engineer: _____

Inspectors: _____

Main Contracts:

[illegible]
